# WHY UNITED WAY?

United Way of Martin County's 2013-14 Campaign Team: Wendie Berardi, Lucy Corley, Denise Ehrich, Susan Denny, Gigi Suntum, Jennifer Ahem, Amy Albury, Kathy Hendricks, Crystal Stiles and Tim Kinane

**"Tell me and I forget. Teach me and I may remember. Involve me and I learn."**  
- Benjamin Franklin

We are inspired. We have dreamed of a better future. Our priorities are defined and the picture is sketched out in our strategic plan. Now is the time to turn dreams into reality. We are filling in the vision sometimes by coloring outside the lines, but we need you. We need your passion and ideas: we need your time, your voice and, yes, your generosity.

Join us as we learn how to make our community better, safer, happier, healthier and more successful in every way. We have six Priority Task Forces to choose from: **END HUNGER, STRENGTHEN FAMILIES, HEALTH, EDUCATION, JOBS and ENSURE SAFETY.**

Ask yourself, "What inspires you?" "Where does your passion lie?" Then ask, "Why does it inspire you?" If you are not sure of the answer of your "why," United Way of Martin County can help. And lastly... **Get involved!**

We know where we are going, but there are many ways to get there... We want you to add your talent and passion to the discussion. There is a lot of work to be done and we really want new ideas, your ideas. Challenge us and bring a bigger dream and let's get there together.

# OUR PRIORITIES

## END HUNGER

Volunteers help set up the Treasure Coast Food Bank mobile food pantry at the UPS Distribution Center in Stuart during Day of Caring. From left, Joanna Reyes, and her son, David, help Treasure Coast Food Bank's chief operating officer, Gary Porter, open boxes of mashed potatoes before distributing food to impoverished residents of Martin County.

## EVERYONE IS HEALTHY

Children take turns swinging on a jungle gym at Hope Rural School in Indiantown. United Way is focused on improving overall community health by increasing healthy eating and physical activity.

**DID YOU KNOW?** Last year, Martin Volunteers engaged 1,471 volunteers for a combined total of 137,123 hours - a value of \$3 million - at 101 local nonprofit and public agencies.

**WHY UNITED WAY?** Through the strategic investment of United Way dollars, we address our community needs by providing funding and support to help create system change!

## STRENGTHEN FAMILIES

After completing their volunteer project during Day of Caring, the Castrillo family; Ademil, Danielle, Esabella and Amelia enjoy an afternoon together at Sailfish Splash Waterpark. United Way of Martin County encourages families to spend quality time together and regularly offers opportunities for them to give back to the community.

## SOLID EDUCATION

United Way believes that affordable, quality childcare and after-school care, as well as the availability of early education, is paramount in Martin County. Here, Shawn Keil, Executive Director of YMCA Indiantown, helps children unleash their inner artist.

# OUR PRIORITIES

**DID YOU KNOW?** United Way has saved thousands of local residents more than \$1 million on prescriptions through a partnership with the FamilyWize prescription drug program.

## ENSURE SAFETY

United Way believes that the key to living in a safe community is to educate the public on the negative effects of child abuse, neglect and domestic violence, as well as drug and alcohol use. Each year, United Way's CHARACTER COUNTS! program collaborates with numerous community partners to help spread the word.

## END HUNGER

On the Treasure Coast, 33,410 children struggle with hunger every day. Weekend backpacks filled with nutritious food provided through the United Way-funded Backpack Program at the Treasure Coast Food Bank help prepare children for school on Monday morning.

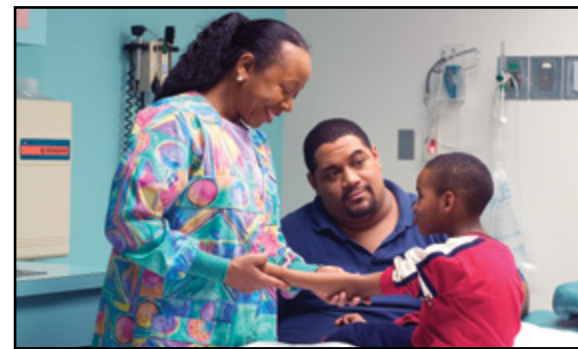

## JOB OPPORTUNITIES

United Way supports efforts that increase employment opportunities and help people reach their full potential. Here, U.S. Congressman Patrick Murphy visits with veterans and business owners during the Veteran Connection job fair organized by Martin Veterans/RSVP and Vietnam Veterans Chapter 1041.

## STRENGTHEN FAMILIES

By increasing protective factors and decreasing risk factors associated with healthy, stable and resilient families, Whole Child Connection, a community initiative funded by United Way, helps connect thousands of children and adults to services vital to the well-being of their families.

## EVERYONE IS HEALTHY

Good health is fundamental for people to enjoy their lives, provide for their families, realize their dreams and contribute to society. That's why United Way is focused on increasing access to primary and preventative health care and mental health services. Additionally, the impact of poor health goes beyond the individual. With medical costs rising, preventing disease can improve the overall health of our economy and our residents.

## ENSURE SAFETY

United Way believes that in a community where everyone is safe, promoting public education and information about disaster education and preparedness is a top priority. In the event of a disaster, United Way's Martin Volunteers/RSVP program is prepared to set up a volunteer reception center for people who are able to assist local agencies during the recovery process.

## SOLID EDUCATION

More Martin County teens are choosing not to use alcohol and other drugs: 72 percent did not use alcohol, 86 percent did not use marijuana, and 87 percent did not participate in binge drinking.\* Public education provided by United Way's CHARACTER COUNTS! program and & Tykes & Teens, a United Way-funded agency, are contributing factors in the decreased usage.

\*As reported in the 2012 Florida Youth Substance Abuse Survey

**DID YOU KNOW?** Last year, 221 low to moderate income individuals and families, with an average income of \$21,400, received \$252,500 in refunds through the United Way sponsored Volunteer Income Tax Assistance program.

# UNITED WAY OF MARTIN COUNTY FOUNDATION

The United Way of Martin County Foundation is an independent public charity uniquely positioned to accept legacy gifts and build an endowment fund. A strong and substantial foundation creates a predictable source of income to help us meet the changing and emerging unmet needs of our children, families, the elderly and all residents of our community. I am pleased to report on this year's accomplishments:

**Endowment Campaign:** Legacy contributions of cash, pledges and deferred gifts to the United Way Foundation now total more than \$3.3 Million.

**Barbara Briggs Trimble Honored:** At the Foundation's Annual Luncheon, Barbara was presented with the Frances Langford Humanitarian Award. This award was created to honor the memory of Frances' legendary generosity and recognizes community leaders who, like Frances, demonstrate the care and compassion for humanity in their lives and deeds. Thank you to the top sponsors: Wilmington Trust, Frances Langford Foundation, Wayne and Marti Huizenga, Seacoast National Bank, Florida Power & Light and Northern Trust.

Barbara Briggs Trimble

**Dick Young Retires:** After a decade of dedicated service, Dick Young retired from the Foundation Board. The Foundation thanks Dick for helping establish the thriving endowment campaign.

Ted Brown, Dick Young and Jim Vojcsik

**Arthur M. "Rusty" Brink, Jr. Joins Foundation Board:** "My wife Kathy and I believe in United Way based on decades of involvement as donors and volunteers. That experience has taught us the value United Way plays in the lives of a broad segment of local populations, especially helping to address the needs of those who are often the most vulnerable, but least visible to individual donors," said Brink.

Rusty & Kathy Brink

These are just a few highlights in another successful year. I would like to thank all of the Foundation's donors for their generous support as we renew our commitment to making Martin County a better place to live, work and raise a family for present and future generations.

**Ted Brown**  
Foundation Board President

# TOCQUEVILLE SOCIETY

United Way's Tocqueville Society recognizes philanthropic leaders and volunteer champions around the world who have devoted time, talent and funds to create long-lasting changes by tackling our community's most serious issues. Membership is granted to individuals who contribute at least \$10,000 annually. Last year, our 60 generous members contributed more than \$786,000, 30 percent of the 2012-13 campaign.

United Way thanked the generous Tocqueville Society members during a special reception graciously underwritten by Wilmington Trust. During the reception, Dick and Ginny Genthe were presented with the Alexis de Tocqueville Outstanding Philanthropy Award. Members since 1996, the Genthe's were honored for their longtime commitment to United Way's mission through their generosity, advocacy and volunteerism.

"Tocqueville Society members are igniting change in our community and we appreciate their support. Though relatively small in numbers, our members make a major difference to many lives in Martin County."
